

Outbreak Precaution Information

For Visitors and Families

What to Expect when in Outbreak

- Outbreaks are specific to the infection spreading in the Home and may be respiratory or gastrointestinal.
- Elders may be in isolation in their room or within their neighbourhood.
- Direction will be provided by Lambton Public Health.
- Essential caregivers may be the only visitors permitted in the Home.
- Group activities and communal dining may be suspended.
- Increased environmental cleaning will be implemented
- Increase in masking or other personal protective equipment such as eye protection may be required.
- Outings may be advised to only those of essential medical or compassionate reasons.

Key things to remember

1. Wash your hands often and thoroughly
2. Keep up to date on vaccinations
3. Stay Home when sick

For any questions or concerns, please call the Home for further assistance.
