A Note from Family Council

Family Council is a supportive group who meet monthly for one-hour meetings via zoom. Our monthly minutes are posted on the Family Council bulletin board near the elevators. The main purpose of Family Council is to provide peer support, education, and to improve the experiences of all people in long-term care. Please join us at our next meeting on October 9th @ 1pm by zoom. Contact Family Council Chair Jim Maw at jim@jmcs.ca or Social Worker Meagan Daley at Meagan.daley@county-lambton.on.ca for more information. For additional information about Family Councils please see the Family Councils of Ontario website at fco.ngo

Infection Control

With the changing weather we also see a rise in respiratory illnesses. The best protection against respiratory illness is vaccination. We anticipate that Influenza and COVID vaccinations will be available soon. Please help us avoid an outbreak at The Villa, by practicing hand hygiene and staying home if you are ill.
