39 Morris Street, Forest, Ontario

## **A Note From the Administrator**

### Happy Spring!

AMBTO

The week of May 12 - 18 is National Nursing Week. Special thanks to all our Nursing Staff for their hard work and commitment to care of the Elders living in the Home. May 19 is Personal Support Worker (PSW) Day and is an opportunity to recognise the invaluable work the PSW staff provide.

We will celebrate Mother's Day with a brunch on May 11 and look forward to celebrating Seniors' Month, as well as Father's Day in June.

There are a number of Home improvement projects being completed over the next several months. These include the Recreation Activity Rooms and Nursing Offices, along with painting of various spaces.

I would like to thank the Lodge Auxiliary for their very generous donation toward the purchase of new outdoor dining tables and chairs for the pavilion. These items are ordered, and we hope to have them in by the busy summer season.

Finally, I want to welcome everyone that accepted summer staffing positions at The Lodge. These include summer students who provide additional support in select departments, as well as vacation relief positions to assist with coverage during the summer vacation period. Please give a warm welcome to these new staff when you see them!

We honour and nurture the dignity of each person

## Special Thanks to The Lodge Auxiliary

The Auxiliary continues to meet the second Wednesday of every month at The Lodge. Special events are being planned for Mother's Day and Father's Day.

The Tuck Shop is open and staffed by Auxiliary volunteers three mornings per week (Monday, Wednesday and Friday from 9:30-11:00) for the convenience and benefit of the Elders.

The Auxiliary is grateful to the families who suggest memorial donations be made to the NLL Auxiliary in memory of loved ones. Donations are greatly appreciated, with tax receipts being issued for these contributions. The donations enable us to carry on with our goal of helping to improve the quality of life for the Elders living at The Lodge.

Currently, new members are needed. Please contact an Auxiliary member or Amanda Giorgini, Volunteer Coordinator at ext. 5518 if you are interested in joining.

## Infection Prevention and Control

- Hand hygiene remains our best defence for reducing transmission of illness, please clean your hands upon entry to The Lodge and frequently throughout your visit, using either the alcoholbased hand rub or soap and water.
- Please self-screen prior to coming to The Lodge for any new/worsening signs/symptoms of infection (this includes fever, sore throat, cough, runny nose, congestion, headache) and reschedule your visit if you are unwell.
- Please remember to sign in and out of Accushield at each visit.
