

THE MANOR NEWSLETTER – Summer Edition

Summer 2026

Family Council Members Wanted

The Family Council is currently seeking additional members to join the group.

Meetings are held virtually once per month on the second Monday, with a summer break in July and August.

If you are interested in learning more or would like to become a member, please contact Kim Bond at Kim.Bond@county-lambton.on.ca for additional information.

We welcome your participation and look forward to hearing from you!

Pet Policy

Just a few reminders if you are bringing your pet into the home for a visit.

1. Pets must have received all necessary vaccines and be in good health. Proof must be on file in the main office and updated as required.
2. The pet will not be allowed to run free and must be supervised by the owner.
3. Pets are not allowed to be in areas where food is prepared, served or consumed.

Special Events

Family BBQ July 25, 2026 at 5pm

Rib Fest August 29, 2026 (tentative) more information coming soon

Manor Auxiliary Members Wanted

The Manor Auxiliary is looking for additional members and is actively recruiting a **Secretary** to join the team.

The Auxiliary supports the Manor by assisting with the **General Store** and helping provide programs and resources for the Elders who live in the Home.

The Auxiliary meets **once per month**.

For more information or to learn how you can get involved, please contact **Nicole Roegiest** at **Nicole.Roegiest@county-lambton.on.ca**. We welcome new members and encourage you to consider joining this valuable volunteer organization.

Family Dining Room Reminder

When using the Family Dining Room, please help us keep the space clean and welcoming by tidying up after use. We would also appreciate it if **confetti is not used** in the room, as it significantly increases the time required for cleanup.

Thank you for your cooperation and consideration.

Windows During Hot Weather

To help maintain a comfortable temperature throughout the Home, please keep **all windows closed at all times** during periods of hot weather.

Opening windows makes it much more difficult for the cooling system to effectively regulate the temperature in the building, which can impact the comfort of Elders, visitors, and staff.

Thank you for your cooperation in helping us keep the Home comfortable for everyone.
