THE VILLA VOICE | NEWSLETTER – October 2026

Welcome Fall!

Thankful for all the countless, beautiful ways that Autumn announces its arrival, the cooler temperatures, the colourful leaves, fair season, pumpkin spice and everything nice! We enjoyed participating in carnival games and a pie baking contest as part of fair activities at The Villa.

We honour and nurture the dignity of each person

Infection Control Notes

As we enter flu season, we all play an important role in protecting the health and well-being of the Elders who live in our home. If you are feeling unwell, please stay home and visit when you are feeling better. If someone in your household is ill, we kindly ask that you wear a mask while visiting.

COVID-19 and influenza vaccines will be offered to all eligible Elders who wish to receive them. We encourage all visitors to clean their hands with the alcohol-based hand rub upon entering the home and throughout your visit.

In the event that the home is declared in a respiratory outbreak notices will be provided to Elders, families, and visitors and will be posted at the entrance. Please follow the guidance communicated at that time or connect with the IPAC Lead if you have any questions. Thank you for helping us keep our Elders safe, healthy, and well.
